"A Rainbow of Memories" was the 1985-86 Yearbook theme. The goals for the Yearbook class were to have a more professional look with layouts and to place the captions near the pictures.

The 1985-86 advisor was Mrs. Gay Venia. She had never worked on a yearbook before, but was trying to learn the ropes.

Her comments about the Yearbook staff were, "If I make it through the year without being a splat on the pavement under room 200, I'll be excited!" A further comment was made by the Editor-in-Chief, Moniquea Moncher. She said, "Despite the changes in staff, advisorship, and format styles, I feel that the 1986 Yearbook and staff will excel."

Anne Switzer peeks out from behind her shades.

Starting last spring the National Honor Society enforced stricter requirements for its induction. In order to become a member, all applicants are now required to have a minimum 3.5 grade point average, and more emphasis is being placed on participation in extracurricular activities.

Several plans were made to create a more active NHS this year. Some goals were: giving the annual Woodlands Christmas party; visiting college open houses as a group, attending a play, and

perhaps collaborating with Mr. Goetz and the Nature Appreciation Club in some field trips. Also, the idea of earning service points was reinstated this year. Members received points for participating in events such as the initiation, freshmen tea, and their other extracurricular activities as well.

This year's NHS advisor was Mrs. Gorham. The officers were: president, Gretchen DenUyl; vice-president, Pat Ropp; secretary, Tammy Stadalnikas; treasurer, Julie Master; and historian, Pat

Maday. They, along with the rest of the NHS, worked to improve it, and made this year one of its most productive and fun.

Footprints

One night a man had a dream. He dreamed he was walking along the beach with the LORD. Across the sky flashed scenes from his life. For each scene, he noticed two sets of footprints in the sand; one belonging to him, and the other to the LORD.

When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life there was only one set of footprints. He also noticed that it happened at the very lowest and saddest times in his life.

This really bothered

him and he questioned the LORD about it. "LORD, you said that once I decided to follow you, you'd walk with me all the way. But I have noticed that during the most troublesome times in my life, there is only one set of footprints. I don't understand why when I needed you most you would leave me."

The LORD replied, "My precious, precious child, I love you and I would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you."

"The Best Is

Yet To Come''

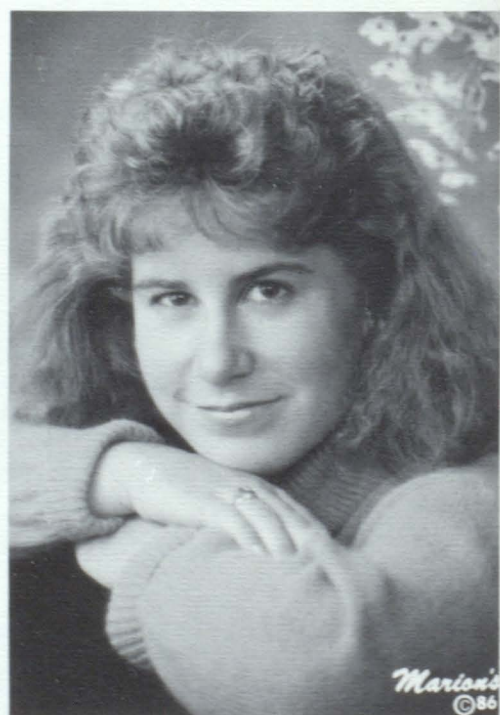

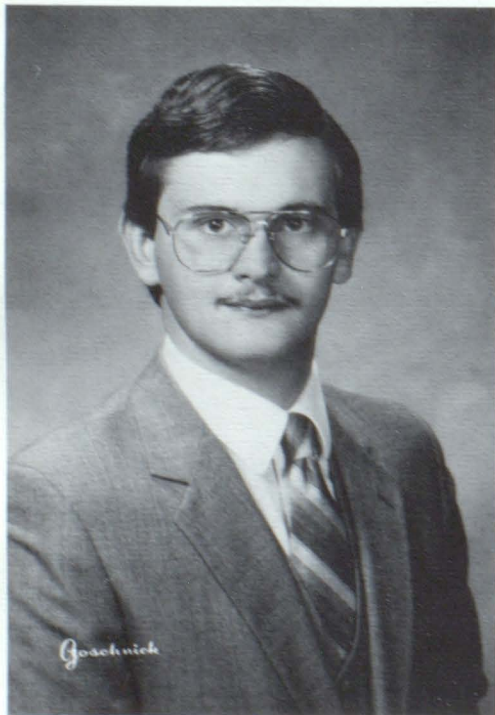

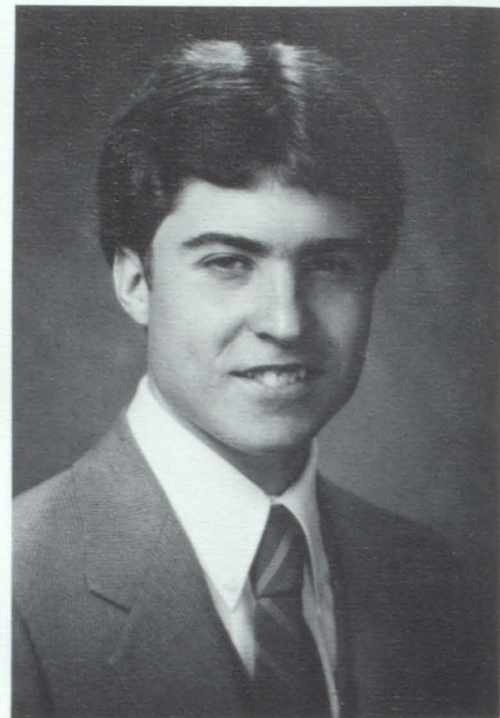

Marysville Frames Its Best

Admonished to aspire nobly, adventure daringly and serve humbly, these award winners both received their own copies of a book entitled, **I Dare You**. This honor has been awarded to Darlene Sinda and Matthew Evans because they accepted the challenge of being developed socially, emotionally, mentally and religiously.

Darlene Sinda was a four year veteran of the Viking Regiment playing her flute. She actively participated in the church choir, flute solos and on the church's quiz team. Darlene was involved in the National Honor Society and pit orchestra in her junior and senior years.

Matt Evans ranked third in the class. He was part of the Senior Play crew, Student Council, Quiz Bowl and National Honor Society. Evans also played on the Varsity basketball team his senior year.

AMERICAN LEGION Robert Richardson was chosen to receive this award for his scholarly abilities, patriotism and leadership qualities. To name a few, Rob was involved in the U.S. Chess Federation, NHS, Quiz Bowl, and Band.

AMERICAN LEGION - Julie Master was chosen because of her involvement in NHS, NAC, Varsity Club and Student Council. Julie was a four year veteran of track and basketball. She won thirty State Medals.

AMERICAN LEGION - Gretchen DenUyl was awarded this due to her participation in many activities both in and out of school. Gretchen was chosen salutatorian of her class. Her interests varied from NAC to cheerleading competitions.

Valedictorian

The Marysville High School Class of 1986 had Moniquea Moncher for their valedictorian. She was a member of the National Honor Society since the tenth grade. Moniquea also headed the Viking yearbook staff as Editor-in-Chief in her senior year. She attended the St. Clair County Skill Center and was an active member of that chapter of B.O.E.C. placing at State competition in 1985 and 1986.

Gretchen DenUyl earned the honor of salutation. Gretchen, a four year veteran cheerleader, presided over the National Honor Society and was vice-president of the Student Council in her senior year. DenUyl participated as a member of the Quiz Bowl, Concert Band and the Varsity Club also. She was a member of the Viking yearbook staff as well as the cast for the musical "Oklahoma".

Student Council Takes Charge

The 1985-86 Student Council was presided over by Rhonda Smarch. The other officers included Vice-President, Gretchen Den Uyl, Co-Secretaries, Char Schindler, and Lisa Olzewski and Treasurer, Pat Maday. The Student Council consisted of 101 members from grades 9-12.

The Student Council raised money by selling popcorn at the football games and sponsoring the Homecoming Dance. They decided to spend their funds in many different areas. For the Varsity Football Team, an equipment cart was purchased. The drafting class received an Apple Graphics Computer Tablet. Student Council also sponsored both the Homecoming Parade and the

half-time ceremonies. Their future spending plans included buying a stereo system for the rec-room, a new flag for the gym, and fixing the hole in the fight song that is posted in the gym. Student Council also focused on "Coming Home" during basketball season. To round-off their year they held their annual Blood Drive and planned a Muscular Dystrophy Association Dance-A-Thon.

The 1985-86 Student Council sponsored a Christmas Food Drive for the Salvation Army. To help contribute to the Food Drive they bought the leftovers from the Viking Regiment's Fruit Sale.

Some computer whiz kids put Marysville, Michigan on the map by placing 37th in the team competition sponsored by the American Computer Science League. Hundreds of schools from the United States compete in both individual and team events. The students were tested in fourteen categories plus four programming problems. The top schools competed at the National All-Star Contest held on May 24, 1986 in Elizabethtown, PA. Mr. Ken Vineyard, a

computer science teacher at M.H.S. and advisor to the group said he was extremely proud and pleased by the level of achievement of the individuals and the team. "These are the types of accomplishments that keep you going and excited about teaching."

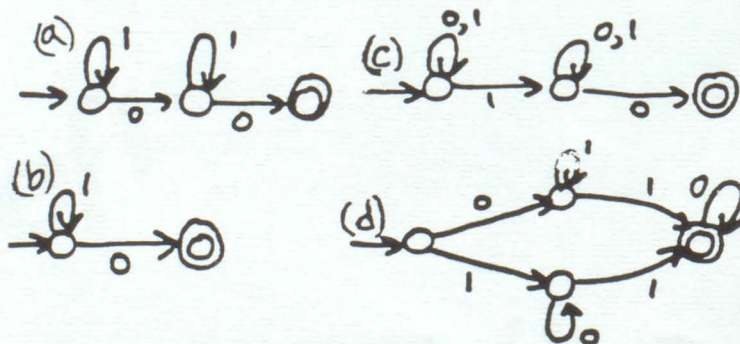

Bryan LePla and Steve Horbes were recognized among the top students nationally, with Bryan receiving a perfect score of 24 points out of a possible 24.

Success Through DECA

Back Row: Laura Siemen, Tammy Mumford, Lisa Siemen, Todd Robison, Mr. Smith. 2nd Row: Michelle Watros, Lisa Kleinstiver, Kelley Sampson, Matt Ayotte. Front Row: Pete Stager, Jenny Woolsey, Lesa Cowper, Scott Turner.

Officers: Todd Robison, Lisa Siemen, Tammy Mumford, Laura Siemen, Matt Ayotte.

Attaining success in today's fast paced business world is a difficult task. Making the success a little easier to come by, through training and various experiences, is one of the purposes of the Distributive Education Clubs of America. Marysville High School's Chapter Advisor, Mr. Kirk Smith, had these reasons in mind when he established the school's first Chapter for the 1985-86 school year. Mr. Smith said, "DECA gives business students a chance to see and experience the various aspects of a business career." DECA accomplishes these tasks through training seminars, guest speakers, and a chance to compete in competency based competitive events held on the local, state, and national level.

The MHS chapter of DECA, in its organizational year, DECA members held fundraisers, trained in successful interviewing techniques, and listened to guest speakers. The chapters also try to develop civic responsibility in their members, for example, at Marysville, DECA participated in a Bowl-a-thon for the Muscular Dystrophy Association.

Marysville's chapter participated in regional competition in February and did well considering its inexperienced group. Lisa Siemen and Todd Robinson, in restaurant management, Tammy Mumford, in Fashion and Accessories, and Matt Ayotte, in Finance and Credit, did well enough to go on to State competition. Although Lesa Cowper, Pete Stager, and Kelly Sampson did not qualify for State competition, they placed very well, according to Mr. Smith. DECA officers were: Scott Turner-President, Christy Carter-Vice President, Lesa Cowper-Secretary, Peter Stager-Treasurer, Kathy Rajczi-Historian.

NAC Gets Involved

'The purpose of the Nature Appreciation Club is to promote the well being of wildlife, preservation of our natural resources, and to provide an awareness to the school's population as to the current situation of nature and its' future.' This statement of function was in Article II of the Rules & Regulations handout that was adopted on October 23, 1980 by the first NAC group. This idea has been held throughout the 6 years while the club creates a great experience for its' members.

The club started out the 1985-1986 year with about 105 members and ended with about 45 active members. The club has 6 officers. They are: President - Todd Robinson, Vice-President - Scott Turner, Secretary - Lisa Siemen, Treasurer - Suzan Steinhaus, Activities Director - Steve Brow, and Co-Officer - Shawn Cubitt.

Some activities the group members participated in were: NAC Attack II, tour of Crystal Salt Mines, Christmas caroling, trip to the Detroit Zoo, snow skiing at Alpine Valley, canoeing & camping weekend, trip to Cedar Point, Backpack "86" to Glacier National Park, Montana, tour of the Southeastern Michigan Nature Center, Dossin Great Lakes Museum, Detroit Conservatory & Aquarium, and a nature hike. The NAC members also had fund raisers such as dances, candy sales, car washes, flower bulb sales, bake sale, and a jewelry sale.

Mr. Goetz has been advising NAC for 6 years. He described this year's group as 'a lot of good people that are a lot of fun to be with'. "This year's NAC members had some of the better officers than in the past, however the club seemed to run in spurts with enthusiasm high at times and then low at times." He felt students should join NAC because you meet new people, you learn about nature, you visit different places, and experience new things and basically just get involved. Another devoted advisor, Mr. Badley, is also an active NAC member. Mr. Badley thinks it is important to learn about their surroundings. He said, "It is not the quantity of things you do in life, but the quality in the way you do it."

Varsity Clubs

The 1985-1986 Boys' and Girls' Varsity Clubs started the year off early with their annual cheese and sausage sales before Christmas. During all home Boys' Varsity Basketball games, the Varsity Club ran a concessions stand selling popcorn and pop to the hungry Viking fans. All money made from the sales go to buy awards and letters for all sports. The two Clubs correspond with each other and visit a Detroit Tiger Baseball game every spring. The Clubs are supervised by Mr. David Schmorow and Mrs. Ellen Burns.

And They Danced Like a Wave on the Ocean

The class of 1987's Junior Prom was held on January 25, 1986. Washington School gym was transformed into a night of glamour with royal blue and silver decorations. The theme song was "And We Danced", by The Hooters. The rest of the night's music was D.J.'d by Jack DiGiuseppe. Mr. and Mrs. Ted Wildermuth, Mr. and Mrs. Joseph Grosser and Mr. and Mrs. Keith Mino chaperoned the prom. The dance was a big success with many thanks to the Junior steering committee and class officers: Lori Cloutier, Cheryl Sulkowski, Kathy Dawson and Kelley Sampson.

Carrie Lapish and escort, Jeff Masar had fun before, after and during.

Tanya Deising and escort, Larry Westbrook headed for an unforgettable night.

Jill Lixy and escort, Jim Toth enjoy the dance and all the excitement.

Everybody stands against the wall to enjoy the officers dance.

Mark Carolan and date, Dana Allen pose for memories of the big night.

The Viking Concert Band consisted of seventy-two members.

The Concert Band performed many concerts during the 1985-86 school year. The members really put their all into the Christmas Concert. Their Christmas spirit

really poured out.

Another concert the band practiced and prepared for was the Spring Concert.

The instructor, Mr. Jarchow, is very qualified and talented for leading Concert Band. He has a Bachelor of

Music from Western Mich. University. He also has taken graduate courses at Central Michigan University.

Mr. Jarchow commented that the Concert Band really was a strong group with very good leadership.

CHORUS

Each morning the sounds of the singing Chorus members were head floating down the hall, as they prepared for their next performance.

The 1985-86 Chorus put on a Christmas Concert which consisted of Chorus members singing solo's and duets. They also performed during the Spring Concert.

The 1985-86 Chorus had to work to solve problems such as no permanent accompanist and a small class size but inspite of the odds, the class proved it could thrive against the odds.

Take a group of seniors; make some of them actors and actresses, others a set crew; add a dedicated director, student director and house manager; center the whole thing around a popular sport; and whaddya get? This year's senior play, "They Run in Our Family."

The class of 86's production was centered around a popular Marysville fall sport: FOOTBALL.

The play told the story of the Central High School Frogs, winless in 25 straight games, and their upcoming game

against the nasty Northview Nomads. The cast dedicated the play to Coach Walt Braun because his attitude toward shaping young men into successful human beings, as well as football players, is much like that of the fictitious Coach Pennywinner.

Miss Butler and student director Anne Switzer, along with house manager Tammy Schenck, helped to turn out not only an entertaining production, but also a financial success for the senior class.

Standing: Steve Horbes, Ron Howard, Rob Richardson. Seated: Matt Evans, Gretchen DenUyl, Pat Maday.

The Marysville Quiz Bowl Team are all smiles after answering a tough question.

Blue Water Quiz Bowl

In which poem by which poet is the line, "April the Cruellest month"?

This question is one of many questions asked at Quiz Bowl match. The poem is THE WASTELAND. The poet is T.S. Elliot.

Each game has three rounds that last ten minutes. There is a two minute break between each round. The team that answers a toss-up question correctly gets 10 points. After they answer a toss-up, they get a bonus question worth another 10 points, but the team must answer within 5 seconds after

buzzing the buzzer. Each team has 4 members.

The members of the Marysville Quiz Bowl are: Ron Howard, Rob Richardson, Pat Maday, Steve Horbes, Gretchen DenUyl, Matt Evans, and including coaches, Mrs. Gorham, Ms. Griffith, and Mr. Grosser.

When asked how she thought they would do at the all-league meet, which is held at the end of the season, Ms. Griffith said, "I think that they have the ability to go far. They work well together!" Marysville finished second behind Lapeer East H.S.

Pat Maday, Rob Richardson, and Ron Howard take a break and talk things over.

This question sure stumped Ron Howard and Rob Richardson.

They gave it their best, but, the teachers still won the match.

Andrew Carnes (Steve Brow) tries to unite the Ranchers (to the left) and the Farmers (to the right).

Rodger's & Hammerstein's "Oklahoma" was chosen for M.H.S.'s 1986 Musical. The performances were held on March 21, 22.

The Musical took place in the late 1800's when Oklahoma was about to become a state. The storyline includes two romances. One is between Curly, Paul Erbe, and Laurey, Jill Parrott. The other is between Will, Mike Fletcher, and Ado Annie, Gretchen DenUyl. Also included in the story was a dispute between the "farmers and the cowmen" about how the land should be used.

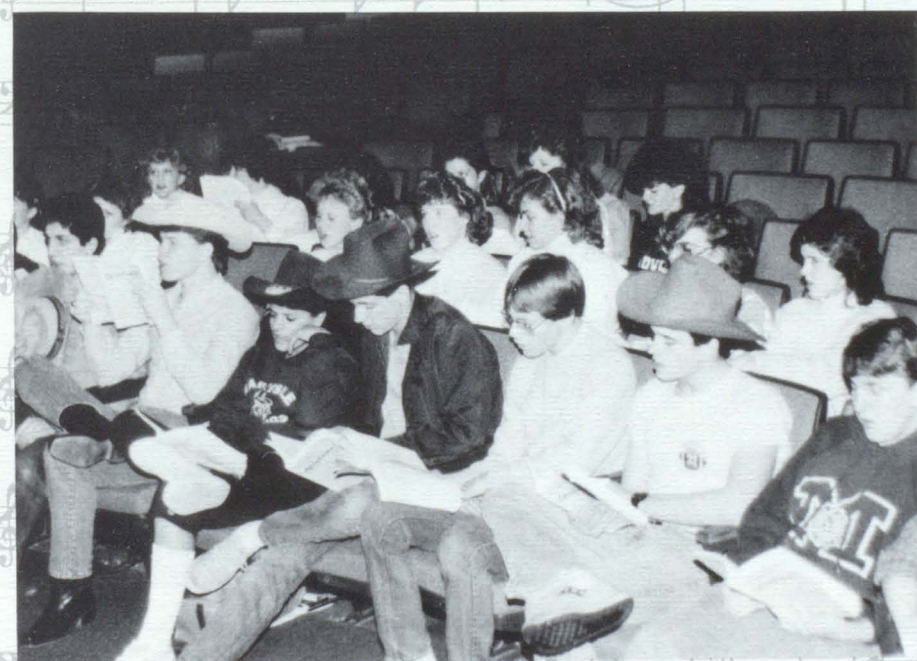

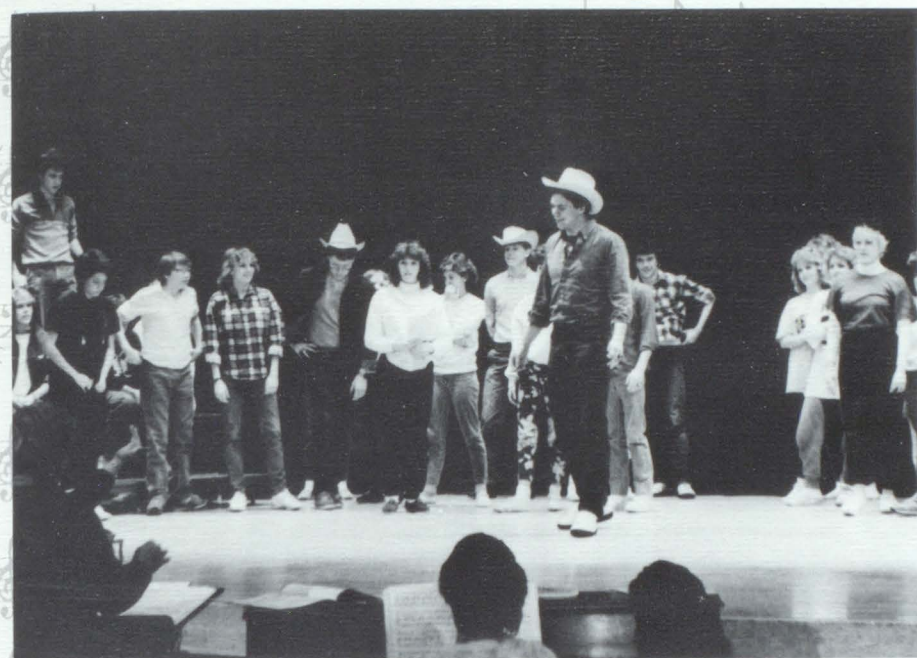

The cast members were coached by Mr. Jarchow and Miss Butler. Mrs. Jarchow instructed the cast members on singing and dancing while Miss Butler focused on the dramatic aspects of the Musical.

The performers sit in the audience for a chance to practice their songs.

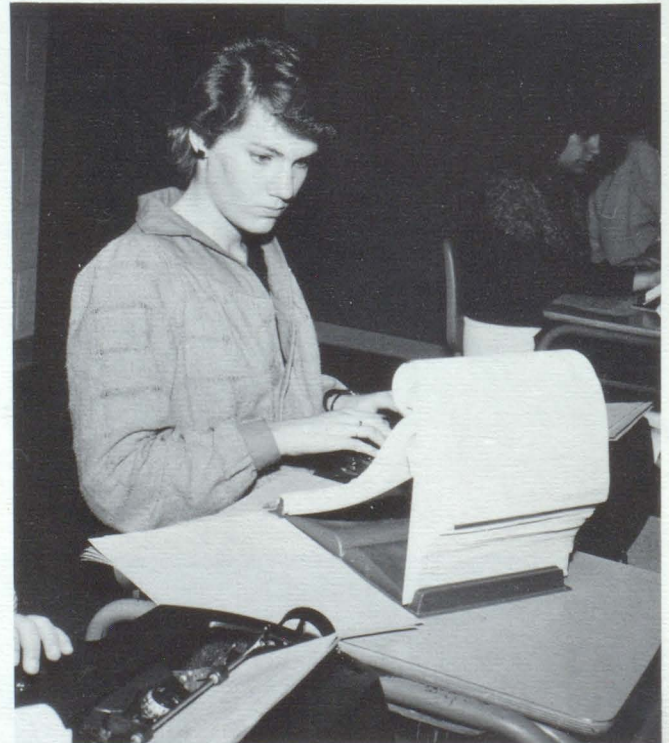

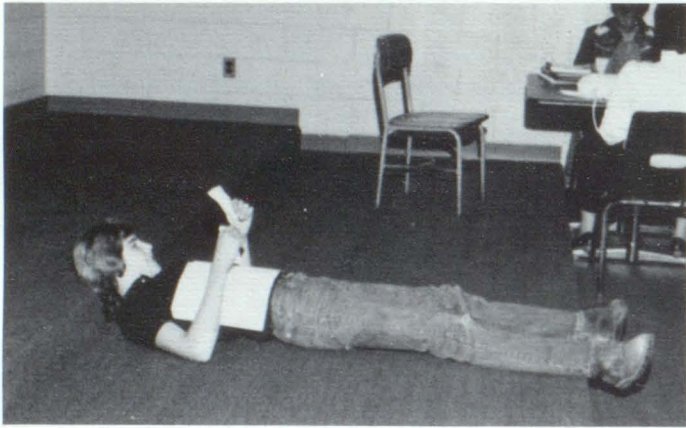

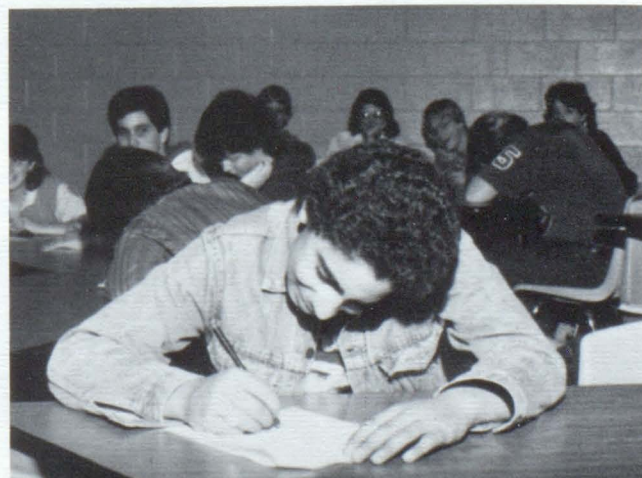

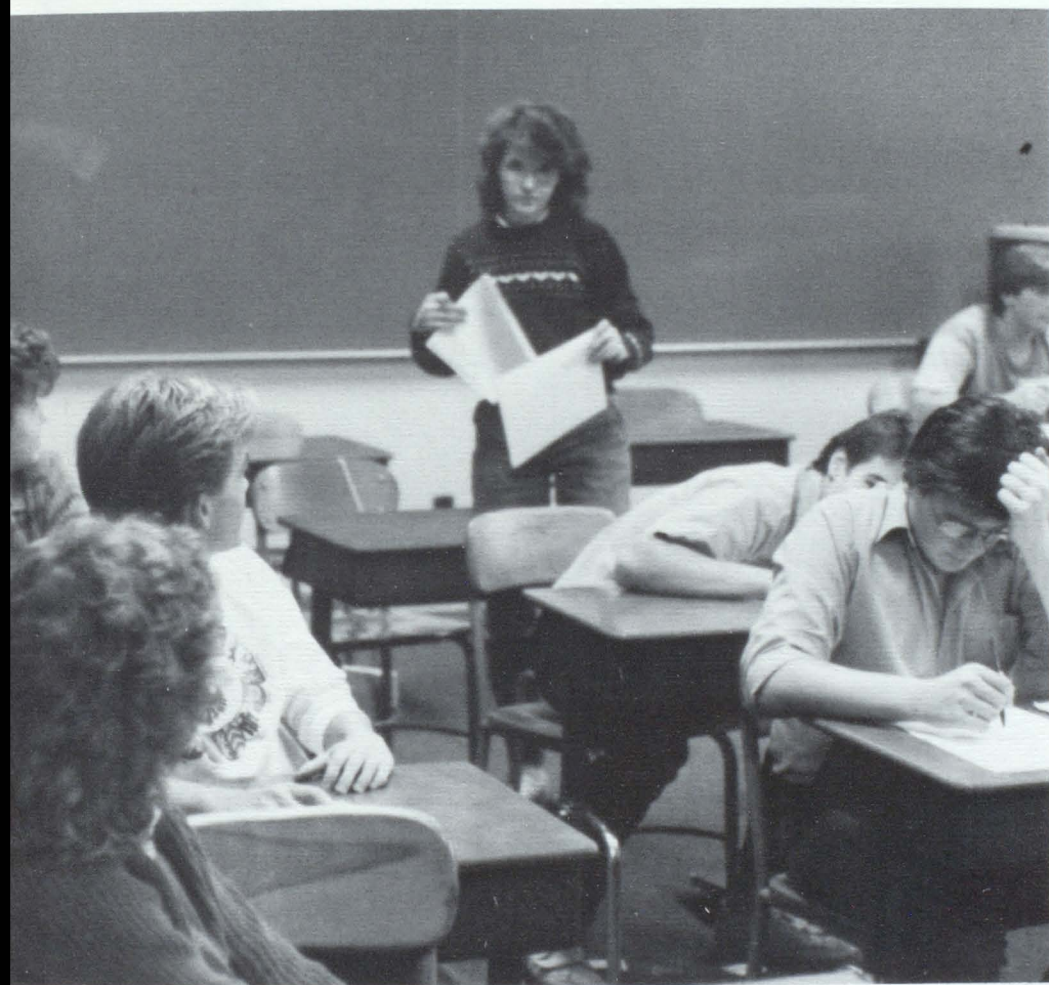

Will Parker (Mike Fletcher) and Ali Hakim (Kelly Hamblin) argue over Ado Annie.

The Future Looks Bright

The 1985 freshmen team had a very exciting season with many close games. They had their ups and downs but they had fun. Freshmen baseball was back this year after a two year absence. Coach Goetz said, "This team has much potential, they just have to work harder to reach it."

The 1985 J.V. baseball team had a very successful and exciting season. They had a record of 20-2 and won the league championship. Tom Hornbacher led the team in hitting. Coach Quinlan said, "This team showed much potential and looks to be a team to be reckoned with in the future."

Safe At Home

This year marks Coach Houck's 17th season in coaching Varsity Baseball. Coach Houck feels that baseball, like other sports is a "team effort, and not an individual effort. If the team wins, it is a team win, and if the team loses, then it is a team loss."

The Varsity baseball team went to Ohio to play against some Ohio teams. While there, they stayed at the Ohio Hilton. Unfavorable weather conditions existed throughout the duration of their trip.

Todd Robinson, No. 13, said that even though the weather was bad, they still had a lot of fun. They had a record of 5-3. This season was not a good one, but it was not a bad one either. They played in the SCAL championship game, but they lost.

Vikings Rally At Season's End

In the last league game of 1985, the Varsity girls came out ahead in a 3-2 triumph over the Richmond Blue Devils. That win gave the Vikings a SCAL tri-championship along with St. Clair and Richmond. Earlier in the season, the girls hosted the Marysville Invitational. Eight teams participated and the Vikings came out with a first place trophy. The season brought out some talent in Annette Durcan at shortstop, and her sister Denise Durcan at the catching position. Annette was the MVP and Denise was chosen the most improved player. Coach Venia sees a lot of potential in Tammy Schenck, Kim Smith, Madlyn Samson and Sue Burns. Their 21-8 record showed the youth of the team. Coach Venia says for next year "We have to make up for those eight losses, and we will!"

JUNIOR VARSITY SOFTBALL

The J.V. Softball team had a very exciting season by placing second in the league.

Mrs. Burns, who has been coaching for many years, commented on how she viewed the 1985 team. She said, "Talent coming up each year has been better than before and that's a great feeling for a coach."

Kelly Clark viewed the J.V. Softball team with a great deal of enjoyment. She also said that there were many nice girls on the team and some really talented players. Kelly Clark played centerfield and first base.

Golfers Are In Driver's Seat Again

A word often heard by the Marysville High School Golf team this year was "winning." The team posted a twelve and three season and was 2nd in the SCAL and 10th in the Regionals. The team suffered from a lack of experienced Seniors. The strength behind the team record lay in the underclassmen. Junior, Mike Phipps was chosen as captain and received an award for Most Valuable Player and All Area 1st Team and All League 1st Team. Junior Bob Smith was named to the All League 2nd Team. Senior Randy Smith was given the Sportsmanship award. Coach Ray Martin commented on the team, "The team was great to work with and the future looks great."

Girls Reach "Golden" Victory

"The Golden Girls", could be the title given to the 1985 girls' track team after defeating St. Clair. This made fifty straight wins in a row, making it the sixth season without a loss in dual competition; the count at the end of 1985 was fifty-four straight wins.

During the season they won all the relays and invitationals they attended, including Regionals. The Class B Regional, held at Warren Fitzgerald, marked the first time a Marysville Girls' Track team won such an event.

Mr. Schmorrow has been coaching the Girls' Track team for the past seven years. He commented "Beyond a doubt this was our most successful season."

"The Regional victory was the high point of the last six years."

The TIMES HERALD Meet of Champions chose Senior, Audra Ulrich as outstanding female athlete. She qualified for State with thirteen of the following teammates: Kelly Stinson, Gretchen DenUyl, Sherri Lindke, Kim Jackson, Patti Hoag, Nancy Lasko, Shannyn Fasbender, Sara Warren, Natalie Leavitt, Helen Johnson, Carolyn Emigh, Marcie Barber and Kellie Schwehofer. Helen Johnson placed sixth in the two-mile and ninth in the one-mile. The State Class B competition was held in Jackson, Michigan.

First place in the S.C.A.L. was captured by the 1985 boys' track team. They finished the season with a 7-1 record. The Vikings placed second in the Husky Relays and ninth in the Port Huron Relays. They ranked tenth in the State Meet.

Those attending every practice and scoring in every dual meet qualified for the 1985 Cinderman Club. Dave Gkekas, Jim Grosser, and Kevin Palmateer accomplished this. Topper Stark was awarded the team Sportsmanship award as well as the S.C.A.L. Sportsman award.

Marysville Tennis Zings Into Swing

The 1984-85 tennis team concluded a successful season by finishing second in the SCAL. The team was led by co-captains Scott Erbe and Steve Maynard.

The 1985 squad also benefited from talents such as Jose Rubio, Scott Erbe, and Steve Maynard.

Their toughest league competition this year was St. Clair. Armada was their toughest non-league competition.

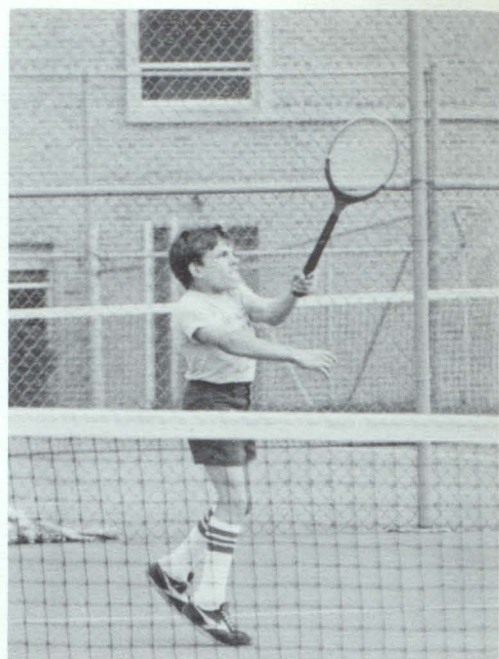

There was a slight change in the tennis team this year. There were four girls that played with the team in local and non-league competition. Their names were: Melissa Thompson, Kelly Boulrier, Bonnie Byrne, and Tammy Schenck.

When asking Coach Martin how this year's team played, he commented, "This year's tennis team played very well."

The Unleashing of the Mad Men

The 1985 Marysville Viking Varisty Football team, powered by their hard hitting offense and mosquito defense, proved again this year they could play aggressive hard hitting football with any team in the state. The '85 Vikings began their campaign with a 17-0 shutout over Port Huron Northern. The Vikings the following week arose to the occasion to defeat St. Martin DePorres, Class C champions, 14-12. The Defense got three more shut-outs in the next 3 games against Cros-Lex (59-0), St. Clair (33-0), and Algonac (54-0).

The Vikings received their first loss in four years, snapping a 43 game winning streak and the S.C.A.L. championship. The Vikings could have just put away their helmets and lost the rest of their games but instead they came back with a grueling 20-0 victory on a mud-infested field on Homecoming. The following week the Vikings packed up and headed for Jackson to play one of the most exciting games in Viking history. The Jackson Lumen Christi Titans came out hitting

early and got a 21-7 lead by the half. However, the determination of the Vikings was apparent as they marched down the field and put two more touchdowns on the board. The extra point conversion failed and the Vikings trailed by one with the Titans in possession of the ball with six minutes on the clock. The Titans began to march down the field when Brad Priehs intercepted a pass and gave the posession back to the Viking team. The Offense marched down the field and put the ball within field goal range. Steve Foster split the uprights for three with 4 1/2 minutes left in the game. The Viking Defense showed their superiority by shutting down their drive and gave the Offense the ball to sit on and receive a 23-21 victory. The Vikings finished their season with a 10-7 victory over the arch rivals, the Port Huron Big Reds. The Vikings failed to make the State Playoffs, but finished with a 8-1 regular season record.

The Freshmen and J.V. squads assisted the Varsity with a fashion show. The clothing worn by the Cheerleaders were from stores in Marysville. The Cheerleaders used their money to buy new sweaters and skirts for the Varsity squad. The Cheerleaders practiced once or twice a week at Washington Elementary School throughout the year. Mrs. Meier's comments about her first year as Cheerleading coach were, "These Cheerleaders are a 'Class Act.'" Sherry Dazer commented, "I was glad to work with them and I will move up to be J.V. The Cheerleaders attended a cheerleading camp this summer at the University of Michigan. The squad placed fifth overall and they elected Gretchen DenUyl to represent them in the individual competition. She placed fourth overall.

The Vikettes push off for a great start at the Marysville Invitational.

The cross country teams of 1985 trained through the summer to prepare for the upcoming season. Some of the girls went to cross country camp for a week of rigorous training. Many of the other people ran in local races to get into shape. The hard work paid off as the teams accomplished many feats during the season.

With only five healthy runners, the girls' team had to deal with a great amount of pressure. In spite of the tremendous pressure, they achieved everything they set out to do. They took the first place trophy, in an eleven team field, at the Metro Beach Invitational. This winning group of young ladies also won the SCAL meet for the sixth year in a row. Helen Johnson, Kelly Stinson, Carolyn Emigh, and Cara Wedge were named to the SCAL first team. Becky

Bushey was named to the SCAL second team. With the guidance and training methods of Coach Mary Mantei, the girls team qualified for the State meet. Placing second, but losing a tie because of the lack of a sixth runner, they placed third at their regional meet. This moved them onto the State finals. At State, each girl ran the best time of her career to help the team place eleventh out of twenty-four teams. Helen Johnson came back from a thirty yard deficit, in the last quarter mile of the 5K race, to win her second consecutive State Title. Helen was a candidate for All American cross country. Helen was also chosen as the Most Valuable Player by her teammates. Kelly Stinson was awarded the Most Improved Player, and Carolyn Emigh received the Sportsmanship award. Coach Mary said, "There is a lot of potential, and room for much improvement in underclassmen Becky Bushey, Jennifer Toles, and Cara Wedge."

The boys' team showed much improvement at the end of the season, as they beat Algonac at their Regional meet. Dan Nurenberg placed seventeenth to qualify for the State meet. The team placed sixth in the sixteen school Regional meet. At the SCAL meet, they placed third as a team. Nurenberg was named to the SCAL first team, and John Deising was named to the SCAL second team. Everyone on the team improved their times by a wide margin, over those in last year's SCAL meet. The boys' best invitational finish was at the Metro Beach Invitational, where they captured the second place trophy. Dan Nurenberg was chosen as the Most Valuable Player, Dean Parrott was awarded the Sportsmanship trophy, and John Deising received the Most Improved Player award. Coach Pete Mantei said, "Most of the runners planned on returning for the 1986 season, so they should be strong contenders in the SCAL."

Varsity Valhallas Puff Up With Pride

The Varsity Valhallas put a lot of practice into their routines and it really paid off. The squad practices every Monday thru Thursday for one and a half hours.

The Varsity squad had been practicing for many events to come including three different competitions that they intended to go to in the summer.

The captain and co-captain were really supportive during the practices and the performances at the games. This year's captain was Michele Reed. The co-captain was Rhonda Smarch.

The 1985 girls J.V. basketball team had a great season. They were undefeated with a 19-0 record and won the league championship. They had many close and exciting games but managed to pull them out. Shooting For The Stars

A steady improvement continued in the girls' basketball program as the 1985 contingent made use of their shortcomings. The team racked up a 12-10 overall record, despite being plagued by injuries throughout the season.

Seniors Julie Master and captain Sue Burns both agreed their most impressive game was against St. Pat's of Sarnia. "We surprised ourselves by staying closer to them than we thought we could. We played as a team and with all out effort." -- Julie Master. Sue Burns,

Michelle Czajka, Julie Master, and Tammy Schenck led their team to a third place in SCAL and to the District Tournament. Sophomore, Shannyn Fasbender, was brought up from the Junior Varsity during Districts. They won the first game against Cros-Lex, but fell short in the season ender against Richmond. The squad also benefited from the efforts of sophomore Sherry Lindke, juniors, Sarah Master, Denise Durcan, Kim Smith, Sarah Warren, and Trish Czajka, and seniors Annette Czajka and Becky Ritter.

Coach Schmorrow is looking forward to working with the 1986 team. "They will be a young team, but they should continue to improve and work hard to make the program here at Marysville even better." -- Coach Schmorrow.

Trish Czajka uses her jumping ability and height advantage to shoot for two points.

Voice Of The Vikings

Mr. Collard feels right at home at the Announcer's Table.

Mr. Collard decided to become a teacher because of a teacher he had in 7th grade. He also likes the job security and the amount of vacation time. He enjoys his career as a teacher, saying he has never received an unemployment check. Although he would have rather become a Major League Baseball player, he stated that if you have to work for a living teaching is great. He has been working at MHS for 30 years and had previously taught at 3 other high schools and at Wheaton College in Illinois. He teaches Office Practice, Typing, and Word Processing. His favorite things about teaching at MHS are the talented young people and Marysville's fine athletic programs. When asked how he became the "Voice of the Vikings" he said that the name sort of evolved over the years. He began announcing more and more activities until eventually he was given that title. He has been announcing sporting events for at least 30 years and has been announcing football for 18 years. He said that he loves being the "Voice of the Viking" and loves to make people happy. He also said he tries to be as impartial as possible even though he loves the Vikings!

Mr. Collard and Gretchen DenUyl have a quick chat at halftime of the Homecoming game.

Mr. Collard proudly displays his "Voice of the Viking's" hat.

Runway of Fashion

The cheerleaders prepare anxiously for the big event; the fashion show.

Marysville High School Auditorium was turned into a fashion show runway on February 20 by the cheerleaders for what was hoped to be an annual fundraiser. Ticket sales of \$3.00 for adults and \$2.00 for students, raised money for various expenses the cheerleaders incur throughout the year. The clothes worn by the cheerleaders were provided by Maria's Bridal Shoppe and Suzannes in Marysville. The Varsity and J.V. squads wore formal dresses. The Freshman squad wore dress pants, jeans and dresses. Some of the cheerleaders wore formals and had escorts who wore tuxedos from Valente's Men's Formal Wear in Port Huron.

Michelle LeCaine was dressed in a bridal gown and was escorted by Tom Green. Jack Lavis, Matt Gressell, Jody Smith, Steve Foster, Brett Rann, Bill Roberts, Kevin Quaine, Brad Priehs, and Troy Burns were other escorts.

There were four door prizes given away. Dinner for two at the Victorian Inn, a free tuxedo rental, a centerpiece from Char's, and a 50% discount on a dress at Maria's Bridal Shoppe.

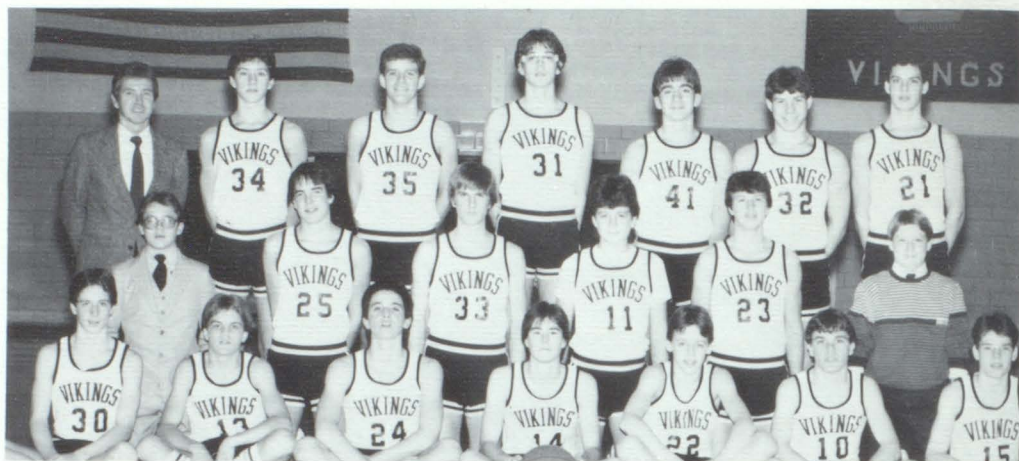

Jack Lavis and Sara French pose together before the show.

Kevin Quaine, Ron Lowe, and Ricky Lashbrook make the final touches.

J.V. and Freshmen Basketball

The 1985-86 Freshmen boys basketball team was scheduled to play the greatest number of games during the year than any other previous team. Mr. Allen has been coaching for about nineteen years but this year was the first year for coaching Freshmen. The leading scorer was Bruk Weymouth and the most improved player was Dave Griffin. Mr. Allen said that it was hard to choose the most valuable player because he felt all his players were valuable. Mr. Allen also said the guys had fantastic attitudes and that this season was very enjoyable! The final record for the season was 12 wins - 7 losses.

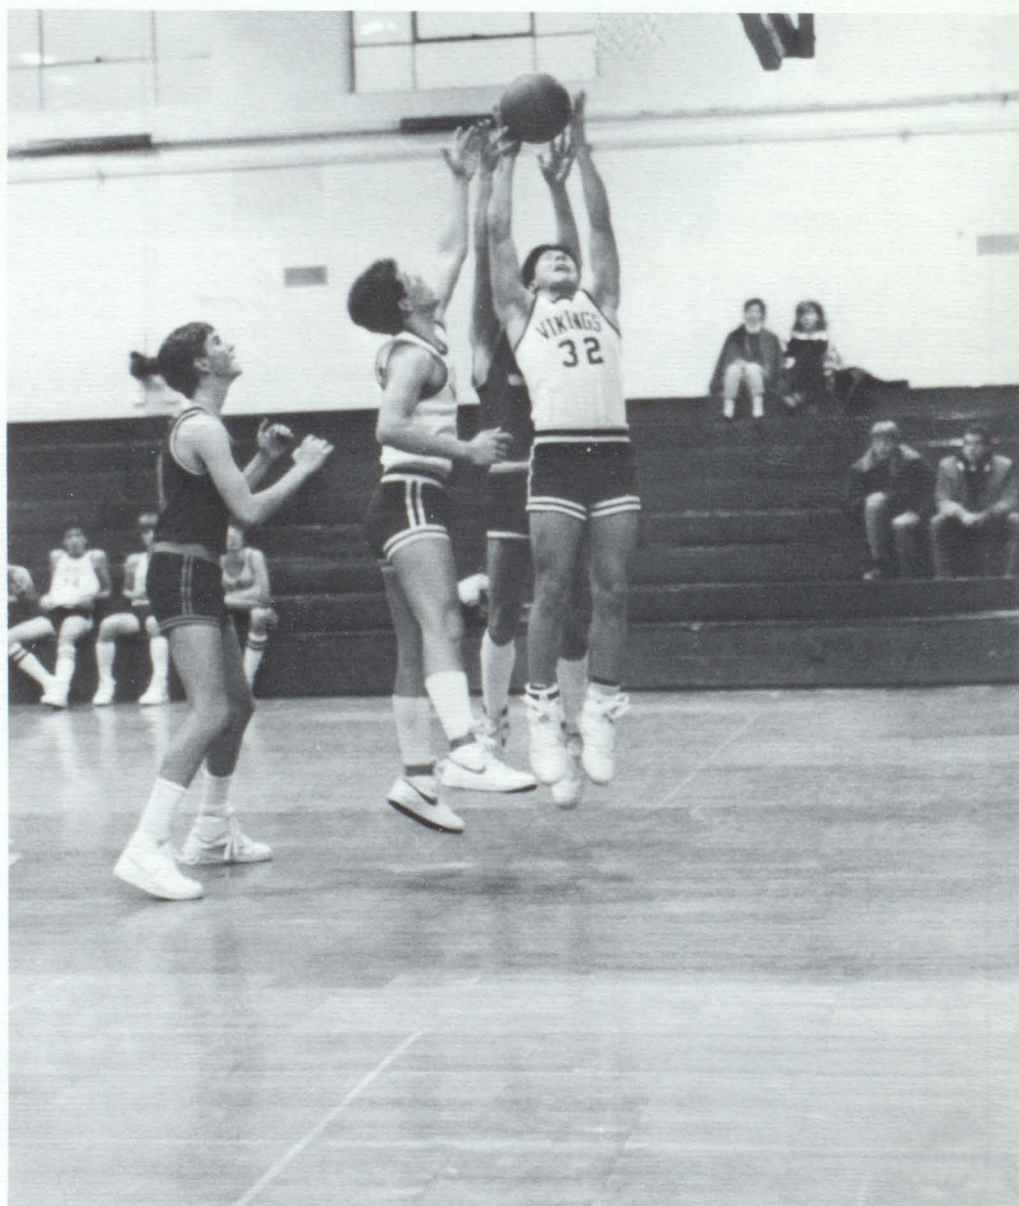

Top Row: Mr. Allen, Scott Bellow, Ben Lasher, Matt Fraley, Mike King, Ken Hamblin, Dan Ryan. Middle Row: Ted Decker, Phil Czarnecki, Scott Kendrick, Matt Fults, Bruk Weymouth, Sam Ba-

Smith, John Levandowski, Troy Burns, Wade Ulrich.

With two sophomores moved up to, Varsity team, this years J.V. team faced a stiff challenge. Many players with little experience stepped in to do a fine job.

The team record was not as great as Mr. Smith had hoped but there was a lot of individual improvement. The team is currently in third place in the SCAL. The team competed against some pretty good teams that comprised a tough league schedule. Don Sullivan was the captain this year. Don did an excellent job and developed into a fine leader. The yearbook staff asked Coach Smith if he enjoyed coaching and he replied, "Yes, I enjoy this team and this level and its been a great challenge personally." There have been many players that have improved this year. Mike Quinlan worked hard and earned a starting position. Jody Smith is another that earned a starting position. Mr. Smith felt this season has been a learning experience for both the players and himself. He also feels this team has great potential for the next two years.

Todd Winston shoots a free throw against Port Huron Northern.

Coach Smith is giving one of his great pep talks to the team.

Varsity Squad Plays Tough

"We were basically an inexperienced team, a young team that improved as the year went on," said Coach Paul Jackson. "This team is a lot of fun to coach. They really work hard preparing themselves to play. These are excellent young men with excellent personalities. They know how to have fun, but also know when to put their nose to the grindstone." He continued saying, "Our inexperience hurt us, but this group constantly worked to improve. They are a group of great young men with great enthusiasm."

This year's leading players were seniors. They were, captain, Todd Robinson, Dave Gkekas, and Greg Allen. The leading scorer was junior, Tom Hornbacher. The leading rebounders were sophomores, Brian Bertovick and Don Goheski.

Captain, Todd Robinson, said this year's team never gave up and tried their very best. Todd enjoyed being looked up to and was honored to be chosen as captain of the team. He also thanked the student body for all their support.

Junior, Jeff Keighley, gave his view of the team by saying "We stayed together as a team and played pretty tough." He felt St. Clair and Clintondale gave the toughest competition. He thinks the team lacked offense and rebounding, but thinks the team will improve for next year.

Jeff Keighley knocks the ball to the floor when Agnolac tries to pass.

BACK ROW: Troy Camm, Brian Bertovick, Sean Kelley, Don Goheski, Todd Robinson, Ross Pliness, Jeff Smith, Coach, Paul Jackson. FRONT

Coach Jackson shows the team the next plan of attack.

Todd Robinson jumps high for a rebound against Algonac.

Ross Plienness tries for a block while Todd Robinson and Tom Hornbacher go for a rebound.

Tom Hornbacher goes up for two points.

Wrestling At Its Best

"I feel wrestling is a very tough sport in that it builds character, stamina, strength, and teaches not only the team concept but also individual achievements," said Coach Goetz, who has been coaching for 2 years. He continued, "This team is a very young but determined group of athletes and with the desire and determination that they have exhibited I honestly feel they are getting close to being real champions in their sport of wrestling."

Asst. Coach, Larry Badley, said, "This years team has showed a lot of improvement, both the number of wrestlers and the knowledge of wrestling has greatly improved." Asst. Coach, Mark Gwisdala, commented saying, "I feel they are one of the best teams in the area when they wrestle good. Next year they could possibly be the best in the area."

Co-Capt., Jeff Badley, (126 pounds) was chosen the MVP for this years team with a record of 12-6. He has been a wrestler for 4 years. Jeff said, "I think wrestling is a great chance, to compete, against others since it is a one on one situation." Jeff has placed at a series of tournaments. He took 1st place at Inner-city Championships, 1st place at Pontiac Catholic Tournament, 2nd at Capac Invitational, 1st at St. Clair County Invitational, 1st at Yale Invitational, and 2nd place at the Blue Water Classic.

Dave Joswiak, (105 pounds) was chosen as Most Improved Player with a record of 20-11. Dave took 1st place at the Inter-city Championships, 2nd at St. Clair County Invitational, and 3rd place at the Pontiac Catholic Tournament.

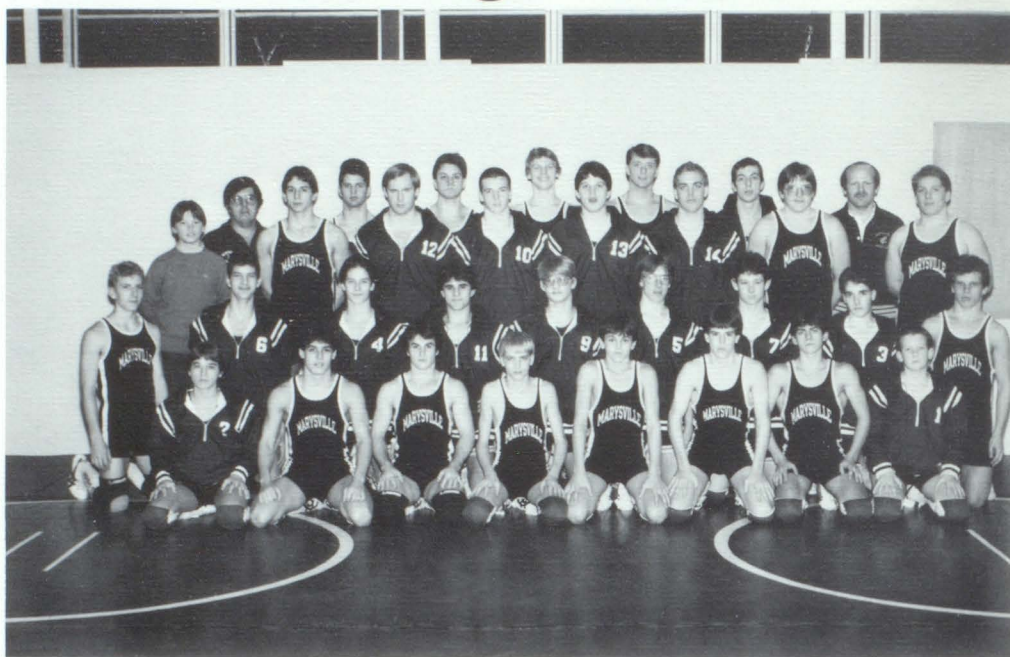

Co-Captain, sophomore, Jeff Patterson, said, "The thing I enjoy most about wrestling is when you're out on the mat and it is up to you to win and there is no one that can help you."

The wrestling team ended the season with 9 wins and 6 losses.

Wrestlerettes Keep Busy

The 1986 Wrestlerettes were a group of approximately twenty-six girls who helped out the wrestling team in a variety of ways. The wrestlerettes assisted the team by putting up locker signs and running the clocks at the dual meets. They also announced the wrestlers names at the dual meets and most importantly cheered on the wrestlers during their matches. They also ran a concession stand and passed out programs.

The coaches were Mr. Goetz and Mr. Badley. Mr. Goetz said the reason for wrestlerettes is to help promote the program, help to keep the wrestlers motivated and assist at dual meets and tournaments.

The co-captains of the wrestlerettes were Lesa Cowper and Dawn Visga. Lesa said she became a wrestlerette because it was something Marysville didn't have and it was something new and different for her to do.

J.V. Volleyball Spikes

Into It!

The toughest teams that the J.V. Volleyball team has played were Richmond and St. Clair. The team was successful though, as they made more progress than last year.

The coach, Ms. DeNardin, has helped alot by teaching them new techniques and styles.

In conclusion, Ms. DeNardin commented that they were a young team, but progressed a long ways throughout the year.

Varsity Volleyball Is Energized!

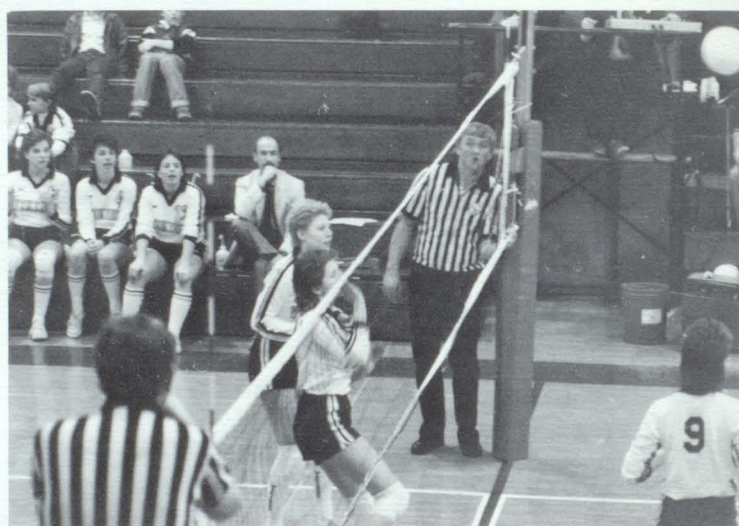

Have you ever seen twelve girls with so much energy? If not, you should have attended one of the 1985-86 Varsity Volleyball games. By putting all their energy into their games, they placed 2nd in the League and their record was 12 wins and 4 losses.

When asked what were the squad's strengths and weaknesses, Tammy Schenck

commented, that their strengths were setting, spiking, blocking, and more. But, their weakness was passing. The 1985-86 captain also was a great influence on the team. The Varsity Volleyball captain was Sue Burns.

In concluding the season, Coach Knuth said, "This year's squad had great spirit and enthusiasm."

Sherry Lindke and Shannyn Fasbender wait for the return of the volleyball.

Sue Burns shows her stuff while teammates wait for their turn.

Part of the team takes a minute to get ready before the game.

Undefeated Season

Five members of the girls' swim team recap the relay race.

Scott Foerster takes a breath as he pushes hard in the freestyle.

The gun is off, and so is Pat Ropp, diving ahead of his competitor.

Back Row: Coach Hurley, Scott Foerster, Dennis Decator, Rich Hart, Jerry Brown, Danny Gizar, Mark Docherty, Trevor Westbrook, Steve Anderson, Scott Flann, Rich Quintal, Sarah Master, Julie Master, Ron Howard, Pat Dill, Michelle Turner,

WIN! WIN! WIN! That is just what you saw when you went to a Marysville swim meet. The 1986 swim team won all of their dual meets and placed 4th at the Notre Dame Relays. Their undefeated season was the first in seventeen years. Co-captains Julie Master, and Ron Howard led their team to the SCAL Championship, and to the bragging rights of the Blue Water area. The swimming contingent possesses a couple of

standout athletes in juniors, Ron Howard and Jerry Brown. Howard was the runnerup in the 100 yd. back stroke at the State Championships last season. He holds six individual school records, and two relay school records. Jerry Brown is the Viking's leading diver. He broke the school record which stood for more than a dozen years. He broke his own record numerous times as well. Other strong swimmers who consis-

tently placed in the meets are Pat Ropp, Scott Flann, Rich Hart, Trevor Westbrook, Mark Docherty, and Dennis Decator.

"The team has an abundance of strong, young swimmers, so they should be even more of a powerhouse next year. Maybe they will achieve two undefeated seasons in a row." --Julie Master.

State medalist, Ron Howard, races on to a new school record in the 100 butterfly.

Sophomore, Dennis Decator, swims the backstroke leg on his way to a win in the Individual Medley.

Coach Hurley helps Junior, Jerry Brown, and Sophomore, Pat Dill, prepare for their next dives.

United Nations Declares 1986 the Year of Peace

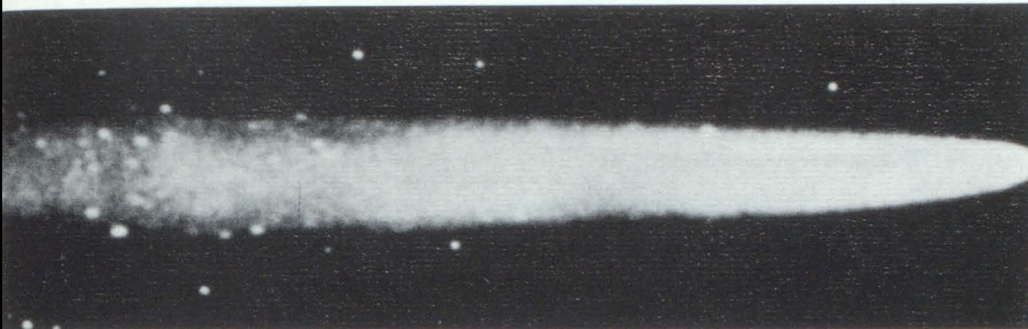

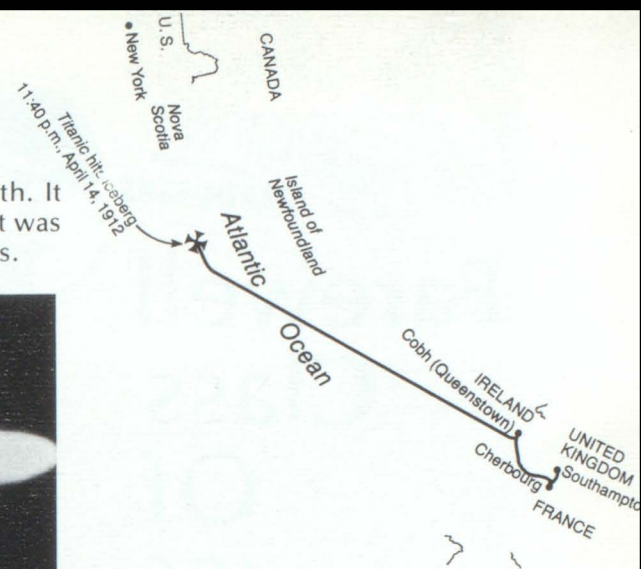

It was January 28th, at 11:38 a.m., Cape Canaveral, Florida when the entire nation watched seven astronauts lift off into space, only to be incinerated 73 seconds later. The Space Shuttle Challenger carried our future in its hands. This disaster was particularly devastating because the entire country saw the explosion on TV.

Millions of students watched because the first citizen in space, teacher Christa McAuliffe, was aboard. Each one of us will remember where we were at the time of this catastrophe, and we will remember those seven astronauts who were reaching for the stars. The Space Program was set back considerably, but someday it will send up another Space Shuttle with seven more astronauts aboard to discover and explore the world around us.

In November, 1985, President Reagan and Soviet Premier, Mikhail Gorbachev, met in Geneva, Switzerland for the Summit Meeting. There, they discussed arms control, and star wars. The talks brought better relations with the Soviets, and opened the door for future talks.

Halley's Comet appeared from November to March in the skies near Earth. It appears every seventy-five years, and has only been recorded thirty times. It was named after Edmond Halley, an English astronomer, who lived in the 1700's.

Tragedy hit Mexico and Colombia with two natural disasters. In Mexico City on September 19, 1985, an earthquake measuring 7.8 on the Richter scale destroyed 250 buildings and killed more than 10,000 people. The city was a pile of rubble, and thousands of people were without homes. In Colombia, near Bogota, a volcano known as Nevado del Ruiz erupted unexpectedly, wiping out the town of Armero. The volcano left a country devastated by the loss of 20,000 people.

1985 was a year of terrorism in Europe and the Middle East. Libyan leader Moammar Khadafy set up his troops to be ready for war against the United States. Terrorists were blamed for bombs set off in airports in Vienna and Rome, and in department stores in Paris. Khadafy threatened to put terrorists in the streets of America.

South Africa was in the news every week because of the rioting against Apartheid. The government refused to drop its Apartheid policy and many people died from the fighting between the two sides.

The Blue Water area felt its own earthquake on January 31st, 1986. The quake was centered near Cleveland, Ohio and it measured 5.0 on the Richter scale. It was felt in nine Great Lakes and Ohio Valley states.

Canada and the United States spent much time cleaning up the Toxic Blob in the St. Clair River. The blob was spilled by Dow Sarnia. It disintegrated a divers mask. More blobs were discovered and divers with heavy equipment worked on cleaning up the river until winter set in.

One of the newest voices to the music charts was that of Whitney Houston. She was nominated for numerous Grammy Awards and she had many songs in the Top 40. Other new artists were Sade, Mister Mister, and The Outfield.

The Titanic, which sank in 1912, was found near Nova Scotia, Canada.
